Mansfield Park tells the story of Fanny Price, a young girl with a strong moral compass who is sent by her impoverished parents to live at the home of her wealthy uncle Sir Thomas Bertram and his family. Unable to relate to her superficial female cousins and treated as an outsider in many ways by her adopted family, Fanny forms a strong attachment to Edmund, the youngest Bertram son. Her love for him is threatened by the arrival of brother and sister Henry and Mary Crawford, glamorous visitors to the neighborhood with romantic intentions of their own.
